# Some help with filling in your dividend reinvestment enrollment form

## Part A – Receive dividends in the form of DIs representing Thomson Reuters Corporation Common Shares

If you wish to reinvest your dividends and receive additional DIs representing Thomson Reuters Corporation Common Shares for each future dividend you receive, please cross (X) the overleaf. To find out more about the dividend reinvestment plan and to check that you are eligible to participate, please read the *plan terms and conditions* available in the “Investor Relations” section of [www.thomsonreuters.com](http://www.thomsonreuters.com).

## Residual cash left over

Please note that in its role as Depositary, Computershare will not be able to maintain fractional holdings in DIs representing Thomson Reuters Corporation Common Shares. Instead, Computershare will hold any residual cash left over on your behalf. The next time that a dividend is paid, this residual cash will be used to acquire additional DIs.

## Part B – Please sign and date the form

You MUST sign the box. If it is a joint holding, ALL holders must sign.

If you are signing under a Power of Attorney, you must enclose a certified copy of the Power of Attorney with your form. If you are signing on behalf of a company, you must write the capacity in which you are signing below your signature.
