

McGladrey Becomes a Thomson Reuters Certified Implementer for ONESOURCE Software

October 5, 2010 at 10:07 AM EDT

NEW YORK, NY, Oct 05, 2010 (MARKETWIRE via COMTEX) --

NEW YORK (October 05, 2010) -The Tax & Accounting business of Thomson Reuters announces that RSM McGladrey Inc., who together with McGladrey & Pullen, LLP are leading providers of assurance, tax and consulting services under the McGladrey brand, has joined the Thomson Reuters Certified Implementer program for ONESOURCE corporate tax solutions.

The Certified Implementer program develops knowledge and expertise of the ONESOURCE suite of products, including WorkFlow Manager, Income Tax, and Provision software, to effectively satisfy the needs of multinational corporations (MNCs). Through this program, Thomson Reuters will provide McGladrey the exclusive training and technical support they may need when working with clients who use Thomson Reuters software solutions in their corporate tax and accounting departments

"At McGladrey, we're all about understanding our clients and bringing fresh insights and tailored expertise to help them succeed," said Mike Stokke, Client Services Strategy and Delivery National Leader for RSM McGladrey. "Becoming only the third Certified Implementer of Thomson Reuters products illustrates our commitment to helping corporate tax departments optimize their operations. We're excited about building upon our relationship with Thomson Reuters and expanding our service capabilities to include the implementation and support of ONESOURCE products for our clients."

RSM McGladrey's Tax Process & Technology service line specializes in assisting corporate tax departments to fully align their people, processes and technology resources in pursuit of their organizational goals. Serving companies ranging from Fortune 1000 companies to growing businesses, the firm is making a significant financial investment in its national tax business, and has plans for substantial near-term hiring to meet growing demand for its services.

"The combination of advisory services provided by RSM McGladrey and Thomson Reuters' tax and accounting software will foster optimum support and service to corporate tax departments," said Joe Harpaz, senior vice president and general manager of Global Tax Technology in the Tax & Accounting business of Thomson Reuters.

With customers in 80 countries, ONESOURCE is quickly becoming the platform of choice for MNCs in need of a tax and accounting solution. As more firms become Certified Implementers, MNCs are increasingly assured that the global accounting, advisory and consulting firms that serve them are knowledgeable on the ONESOURCE products from the Tax & Accounting business of Thomson Reuters.
