Safe Harbor / Forward-Looking Statements

• The following discussion contains forward-looking statements, including those about Thomson Reuters outlook and prospects. Forward-looking statements are those which are not historical facts. These and other statements that relate to future results and events are based on Thomson Reuters current expectations.

• Our actual results in future periods may differ materially from those currently expected because of a number of risks and uncertainties. The risks and uncertainties that we believe are material are outlined in our disclosure filings and materials, which you can find on www.thomsonreuters.com. Please consult these documents for a more complete understanding of these risks and uncertainties. We disclaim any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required by law. Our outlook is provided for the purpose of providing information about current expectations for 2010. This information may not be appropriate for other purposes.

Non-IFRS Financial Measures

• This presentation contains disclosures of certain non-IFRS financial measures. Please see the “Investor Relations” section of our website for a reconciliation of each of these measures to the most directly comparable IFRS financial measure. You can also find some IFRS reconciliations in the tables attached to our earnings releases dated February 24, 2010 and July 29, 2010, which are also available on www.thomsonreuters.com.

Thomson Reuters Legal
Well Positioned vs. Competitors

Gaining Share from Traditional Competitors

**LexisNexis**
- TR Legal wins with WestlawNext and long history of sustained, deep legal investments

**Wolters Kluwer**
- Does not have a strong global online Legal platform; established positions in continental Europe
- Tax focus in the US

Well Positioned to Win versus Emerging Competitors

**Google**
- Google legal offerings do not match depth, breadth and quality demanded by legal professionals

**Bloomberg**
- Bloomberg focusing on legal service, news, current awareness, GRC and energy information with unclear trajectory
Governance Risk and Compliance
A Significant New Growth Business

GRC - A Major Industry Issue

• Over 10,000 regulatory changes in 2009 in Financial Services alone
• Frank / Dodd and similar new legislation around the globe adding further complexity to compliance
• Financial Services regulation broadening to Insurance and other industries e.g. telecom, regulation also increasing in Energy, Environment, Industrial, and Healthcare

“We are facing a Tsunami of new regulation everyday”

“We’ll see an unprecedented amount of regulatory change, both internationally and nationally”

Thomson Reuters GRC Business

• Complinet
  – The leading source of regulatory intelligence, insight and updates to the Financial Services Industry – now using Reuters regulatory news
  – Over 500 Anti-money laundering customers
• Paisley
  – In the “magic quadrant” of GRC providers (Forrester) for compliance management and audit
• Westlaw
  – The largest database of laws, statutes, and regulations
  – Leading provider of M&A, disclosures and securities information and software tools
• Markets Division and Reuters News
  – Over 30,000 Financial Services customers and key market and financial information
Thomson Reuters Legal
