**NEW YORK, May 6, 2015** – Thomson Reuters (TSX/ NYSE: TRI), the world's leading source of intelligent information for businesses and professionals, today announced that it plans to repurchase up to an additional \$1 billion of its common shares by the end of 2016.

In July 2014, the company announced plans to repurchase up to \$1 billion of its shares by the end of 2015. The company has completed substantially all of those repurchases at this time.

Decisions regarding any future repurchases will be based on market conditions, share price and other factors, including opportunities to invest capital for growth.
